Capability Statement

Company Overview

JLH Group is a *Certified Service-Disabled Veteran and Woman-Owned Small Business*, serving our community since 2016. JLH Group offers personalized services for our clients. We specialize in staffing, managed tasks, and business consulting for short- and long-term contracts within various industries. We also offer sourcing, recruiting top talent, and business development services. JLH Group is committed to delivering excellent services with focus on our clients' needs.

Core Capabilities

- **Staffing** - Source, recruit, and place the right employees for your project and ongoing requirements.
- **Managed Tasks** - Project and program management to make collaboration between teams impactful involving the project management life cycle.
- **Business Consulting** - We analyze the current state to offer advice to help businesses operate more productively, effectively and efficiently and improve the culture and environment for our clients.

Key Differentiators

- **Our Employees** - Experienced, dedicated, and screened to meet and exceed your specific needs.
- **Customized Solutions** - Unique solutions for each client.
- **Local & Regional Expertise with National Coverage** - Proven ability to immerse ourselves in the diverse cultures of the community to fully understand how we can provide the best services.

Mission

Our mission is dedicated to the highest quality of customer service for our employees and our clients and we pride ourselves by giving back to the communities that we serve.
